

Free Dental Exams

Cleanings, Fluoride treatments & Sealants!

For Children Ages 3-17

The SIUC Dental Sealant Grant Program will be hosting a free dental clinic at the
Boyton Street Community Center.

Thursday, June 13th 2019 from 9am-2pm

No new patients accepted after 1:30 pm

Boyton Street Community Center

501 West Boyton.

Marion, IL

**This exam fulfills the Illinois state requirement that all children entering kindergarten, 2nd
grade, 6th grade and 9th grade have a dental exam.**

There is no fee for these dental services and no appointments are necessary.

Patients are seen first come, first served.

If your child is a member of AllKids or on Medicaid, please bring their medical card.

Dr. Amy Wyatt, DMD will provide exams.

Senior Dental Hygiene students of the SIUC Dental Hygiene Program will provide cleanings, sealants, and fluoride. They will be overseen by a licensed dental hygienist.

If you have any questions, please call Natalie Richardson at 618-453-7223 or email at

nrichardson@siu.edu.

The SIUC Dental Sealant Program is sponsored by a grant from the Illinois Department of Public Health and from generous product donations via Oral Health America.
